

VETERINARY ASSISTANT / TECHNICIAN POSITION

Baileys Equine is seeking an **equine veterinary technician/assistant** to join our team. We are an exclusively sport horse equine practice, providing state of the art mobile services to equine athletes throughout **Southern California**.

The primary role of the veterinary assistant is helping the veterinarian with procedures (exams/treatments/imaging), helping manage vehicle inventory, and taking notes from the veterinarian during appointments. The veterinary assistant must be capable of a large amount of physical activity, and is expected to maintain professionalism and confidentiality throughout appointments. We are an exclusively mobile equine practice, and the ability to drive to appointments and/or agreed upon meeting place is expected. Mileage reimbursement per the IRS standard rate is offered.

The veterinary assistant/technician position is open to applicants who have excellent horse handling skills, with or without official training in the veterinary field. Salary is commensurate with experience (\$20-\$30/hour).

The Ideal Candidate Has:

- Equine industry experience, applicants should be confident handling athletic horses in hand and on a lunge line.
- The ability to crouch down for radiographs and sterile preparation for joint procedures.
- The ability to move up to 50lbs, handling diagnostic equipment (radiograph machine, shockwave, etc.) and manipulating horses (sedated horse head, legs, etc.) .
- Ability to follow directions and take initiative.
- Attention to detail.
- Task and time management skills.
- Valid Driver's license with good driving record.

Additional Job Expectations:

- Maintain a clean work space throughout the appointment and prior to leaving a barn.
- Look after equipment during appointments, and return all equipment to vehicle before leaving each appointment.
- Assist with office work as needed, an iPad will be provided with access to eVet (online veterinary software).
- Assist doctors in maintaining vehicle supply stock on all vehicles.
- Client confidentiality.

Education Requirements:

- RVT license (desired but not required)
- High school diploma

Anticipated Schedule (To Be Determined):

- Full-Time or Part-Time position available
- No On-Call
